

aacm 50th Anniversary Fall Celebration

\$25,000 Matching Grant

Where were you? Where were you when the AACM transformed your future? Where were you when you discovered that your ears were the gateway to the soul, when the way you listened or played was turned upside down and you became a convert and evangelist?

The AACM influenced sound and sociology, painting and poetry, virtuosity and philosophy. These legendary men and women taught us that fierce individuality flourishes finest within the unbreakable bonds of community.

50 years of leading by example. 50 years of dogged self-determination. 50 years of setting precedents. It's time to reduce the debt we've all accrued. It's time to say Happy Anniversary, Congratulations and Thank You.
